TOSHKENT DAVLAT TIBBIYOT UNIVERSITETI

REKTORINING BUYRUG‘I

Mahalliy hamjamiyatda energiya samaradorligi va toza energiya bo‘yicha xabardorlikni oshirish ishlarini tashkil etish to‘g‘risida

Universitetning barqaror rivojlanish sohasidagi faoliyatini kengaytirish, mahalliy hamjamiyat vakillarining energiya samaradorligi, energiya resurslaridan oqilona foydalanish hamda toza va qayta tiklanuvchi energiya manbalari haqidagi xabardorligini oshirish, shuningdek, universitet va mahalliy hamjamiyat o‘rtasidagi ma’rifiy hamkorlikni rivojlantirish maqsadida BUYURAMAN:

1. Universitetda mahalliy hamjamiyat vakillari, yoshlar, talabalar, tibbiyot tashkilotlari xodimlari va boshqa manfaatdor guruhlar o‘rtasida energiya samaradorligi hamda toza energiya bo‘yicha ma’rifiy-targ‘ibot ishlarini tashkil etish belgilansin.

2. Universitetning tegishli fakultetlari, kafedralari, ma’naviy-ma’rifiy faoliyat, yoshlar bilan ishlash, xo‘jalik va ekologik masalalar uchun mas’ul tarkibiy bo‘linmalari mazkur yo‘nalishdagi ishlarni o‘z vakolatlari doirasida hamkorlikda amalga oshirsin.

3. Ma’rifiy-targ‘ibot ishlari mahalla fuqarolar yig‘inlari, umumta’lim muassasalari, tibbiyot tashkilotlari va boshqa mahalliy hamkorlar bilan kelishilgan holda tashkil etilsin.

4. Tadbirlar va axborot materiallarida quyidagi mavzularga alohida e’tibor qaratilsin:

energiya resurslaridan oqilona foydalanish va elektr energiyasini tejash;

energiya tejamkor yoritish vositalari va jihozlardan foydalanish;

quyosh va boshqa qayta tiklanuvchi energiya manbalarining afzalliklari;

tibbiyot va ta’lim muassasalarida energiya samaradorligi;

kundalik hayotda energiyani tejash va ekologik mas’uliyatli xulq-atvor.

5. Zaruratga ko‘ra, energetika va qayta tiklanuvchi energiya texnologiyalari bo‘yicha ma’rifiy tadbirlarga tegishli soha tashkilotlari hamda malakali mutaxassislar taklif etilsin.

6. O‘tkazilgan har bir tadbir bo‘yicha sana, mavzu, tashkilotchilar, hamkorlar, ishtirokchilar toifasi va soni hamda tadbir natijalari qayd etilsin. Mavjud bo‘lgan taqdirda tadbir e’lonlari, taqdimotlari, fotosuratlari va ishtirokchilar ro‘yxatlari saqlansin.

7. Tegishli mas’ul tarkibiy bo‘linma mazkur yo‘nalishdagi ishlar to‘g‘risidagi ma’lumotlarni har chorakda umumlashtirib, yil yakunida universitet rahbariyatiga hisobot kiritsin.

8. Mazkur buyruq ijrosi universitetning mavjud tashkiliy va moliyaviy imkoniyatlari, shuningdek, hamkor tashkilotlar bilan kelishuvlar doirasida ta’minlansin.

9. Mazkur buyruq imzolangan kundan e’tiboran kuchga kiradi.

ORDER OF THE RECTOR OF TASHKENT STATE MEDICAL UNIVERSITY

On Organising Activities to Raise Community Awareness of Energy Efficiency and Clean Energy

In order to expand the University's contribution to sustainable development, raise awareness among local community members of energy efficiency, the responsible use of energy resources and clean and renewable energy sources, and strengthen educational cooperation between the University and local communities, I HEREBY ORDER:

1. Educational and awareness-raising activities on energy efficiency and clean energy shall be organised for local community members, young people, students, healthcare workers and other interested groups.

2. Relevant faculties, departments and structural units responsible for educational outreach, student affairs, facilities and environmental matters shall cooperate in carrying out these activities within their respective responsibilities.

3. Outreach activities shall be organised in coordination with mahalla citizens' assemblies, general education institutions, healthcare organisations and other local partners.

4. Activities and information materials shall focus particularly on the following topics:

responsible use of energy resources and electricity conservation;

the use of energy-efficient lighting and equipment;

the benefits of solar and other renewable energy sources;

energy efficiency in healthcare and educational facilities;

energy conservation and environmentally responsible behaviour in everyday life.

5. Where necessary, relevant sector organisations and qualified specialists may be invited to educational activities on energy and renewable energy technologies.

6. For each activity, the date, topic, organisers, partners, participant categories and numbers, and outcomes shall be recorded. Announcements, presentations, photographs and attendance lists shall be retained where available.

7. The relevant responsible structural unit shall consolidate information on these activities quarterly and submit an annual report to University management.

8. This Order shall be implemented within the University's available organisational and financial resources and in accordance with arrangements agreed with partner organisations.

9. This Order shall enter into force on the date of signature.
