TOSHKENT DAVLAT TIBBIYOT UNIVERSITETI

AHOLINING TIBBIY XIZMATLARDAN FOYDALANISH IMKONIYATINI YAXSHILASH VA KAMBAG‘ALLIKNI QISQARTIRISHGA OID TAKLIFLARNI ISHLAB CHIQISH BO‘YICHA ISHLARNI TASHKIL ETISH TO‘G‘RISIDA

Toshkent davlat tibbiyot universitetining ilmiy, klinik va ekspert salohiyatidan foydalangan holda aholining, xususan, ijtimoiy himoyaga muhtoj qatlamlarning tibbiy xizmatlardan foydalanish imkoniyatlarini yaxshilash, kasalliklarning oldini olish va erta aniqlash, sog‘liqni saqlash xizmatlaridan foydalanishdagi ijtimoiy-iqtisodiy to‘siqlarni kamaytirish hamda ushbu yo‘nalishlarda mahalliy darajadagi dastur va siyosatlarni takomillashtirish bo‘yicha asoslantirilgan takliflar ishlab chiqish maqsadida

BUYURAMAN:

1. Aholining tibbiy xizmatlardan foydalanish imkoniyatini yaxshilash va sog‘liq bilan bog‘liq ijtimoiy-iqtisodiy tengsizliklarni kamaytirishga qaratilgan takliflarni ishlab chiqish bo‘yicha Universitet ishchi guruhi faoliyati tashkil etilsin.

2. Ishchi guruh tarkibi ushbu buyruq bilan tasdiqlansin. Ishchi guruhga ilmiy faoliyat, klinik yo‘nalishlar, jamoat salomatligi, profilaktik tibbiyot, ijtimoiy masalalar, xalqaro hamkorlik va tegishli ma’muriy bo‘linmalar vakillari jalb etilsin. Ishchi guruh a’zolarining F.I.Sh. va lavozimlari buyruq imzolanishidan oldin tegishli tartibda kiritilsin.

3. Ishchi guruh quyidagi vazifalarni amalga oshirsin:

3.1. mahalliy aholi, ayniqsa ijtimoiy himoyaga muhtoj guruhlarning tibbiy xizmatlardan foydalanishida uchraydigan muammolar va to‘siqlarni mavjud ma’lumotlar asosida o‘rganish;

3.2. profilaktik ko‘riklar, tibbiy skrining, kasalliklarni erta aniqlash va birlamchi tibbiy yordamdan foydalanish imkoniyatlarini yaxshilash bo‘yicha takliflar tayyorlash;

3.3. tibbiy xizmatlardan foydalanishdagi moliyaviy, hududiy, axborot va boshqa to‘siqlarni kamaytirishga qaratilgan amaliy tavsiyalar ishlab chiqish;

3.4. mahalliy davlat hokimiyati organlari, sog‘liqni saqlash tashkilotlari, mahalla tuzilmalari va boshqa manfaatdor tashkilotlar bilan maslahatlashuv hamda hamkorlik imkoniyatlarini o‘rganish;

3.5. Universitet vakolatlari va ilmiy ekspertiza doirasida mahalliy sog‘liqni saqlash dasturlari hamda tegishli siyosat hujjatlarini takomillashtirish yuzasidan asoslantirilgan takliflar tayyorlash;

3.6. tayyorlangan takliflarni tegishli vakolatli tashkilotlarga ko‘rib chiqish uchun kiritish va ularning ko‘rib chiqilishi bo‘yicha ma’lumotlarni qayd etish.

4. Ishchi guruh tomonidan ishlab chiqiladigan takliflar dalillarga, mavjud statistik va tahliliy ma’lumotlarga, klinik hamda jamoat salomatligi tajribasiga asoslangan bo‘lsin. Takliflarda Universitet vakolatiga kirmaydigan davlat siyosati yoki moliyalashtirish majburiyatlari o‘z zimmasiga olinmasin.

5. Fakultetlar, kafedralar, klinik bazalar va tegishli tarkibiy bo‘linmalar ishchi guruhga o‘z vakolatlari doirasida zarur tahliliy ma’lumotlar, ekspert xulosalari va takliflarni taqdim etsin.

6. Tegishli davlat organlari va tashqi tashkilotlarga yuboriladigan takliflar Universitet rahbariyati bilan kelishilgan holda rasmiy xat orqali kiritilsin. Uchrashuvlar, maslahatlashuvlar va muhokamalar natijalari bayonnoma yoki boshqa tasdiqlovchi hujjatlar bilan rasmiylashtirilsin.

7. Ishchi guruh amalga oshirilgan ishlar, tayyorlangan takliflar, ularning qaysi tashkilotlarga yuborilgani va olingan javoblar bo‘yicha hujjatlashtirilgan hisobot yuritsin. Tegishli dalillar, jumladan rasmiy xatlar, takliflar, bayonnomalar va javob xatlari Universitetda saqlansin.

8. Mazkur buyruq Universitetning tegishli tarkibiy bo‘linmalari tomonidan ijro etilsin. Buyruqning qabul qilinishi o‘z-o‘zidan davlat siyosati yoki dasturi qabul qilinganini yoxud tashqi tashkilotlar takliflarni ma’qullaganini anglatmaydi.

Asos: Aholining tibbiy xizmatlardan foydalanish imkoniyatini yaxshilash, sog‘liqni saqlash sohasidagi ijtimoiy tengsizliklarni kamaytirish va Universitet ekspert salohiyatidan foydalangan holda tegishli takliflar ishlab chiqish zarurati.

TASHKENT STATE MEDICAL UNIVERSITY

ON ORGANISING THE DEVELOPMENT OF PROPOSALS TO IMPROVE ACCESS TO HEALTHCARE SERVICES AND ADDRESS POVERTY

In order to use the academic, clinical and expert capacity of Tashkent State Medical University to improve access to healthcare services, particularly for socially vulnerable groups, strengthen disease prevention and early detection, reduce socioeconomic barriers to healthcare access, and develop evidence-based proposals to improve relevant local programmes and policies,

I HEREBY ORDER:

1. The activities of a University working group shall be organised to develop proposals aimed at improving access to healthcare services and reducing health-related social and economic inequalities.

2. The working group shall be formed under this Order. It shall include representatives from research, clinical disciplines, public health, preventive medicine, social affairs, international cooperation and relevant administrative units. The names and positions of the working group members shall be inserted and approved before the Order is signed.

3. The working group shall:

3.1. review, on the basis of available information, barriers faced by local residents, particularly vulnerable groups, in accessing healthcare services;

3.2. prepare proposals to improve access to preventive examinations, medical screening, early disease detection and primary healthcare;

3.3. develop practical recommendations to reduce financial, geographic, informational and other barriers to healthcare access;

3.4. explore consultation and cooperation opportunities with local government authorities, healthcare organisations, mahalla structures and other relevant stakeholders;

3.5. within the University's mandate and areas of expertise, prepare evidence-based proposals for improving local healthcare programmes and relevant policy documents;

3.6. submit the prepared proposals to competent authorities for consideration and keep records of their consideration and any responses received.

4. Proposals developed by the working group shall be based on evidence, available statistical and analytical information, and clinical and public health expertise. The University shall not assume policy-making or funding obligations that fall outside its legal mandate.

5. Faculties, departments, clinical facilities and relevant University units shall provide the working group, within their respective areas of responsibility, with necessary analytical information, expert opinions and proposals.

6. Proposals to be submitted to government authorities and external organisations shall be sent by official correspondence following approval by the University management. Meetings, consultations and discussions shall be documented through minutes or other supporting records.

7. The working group shall maintain documented records of its activities, proposals prepared, organisations to which proposals were submitted and responses received. Supporting evidence, including official letters, proposals, meeting minutes and responses, shall be retained by the University.

8. This Order shall be implemented by the relevant University units. The adoption of this Order does not, by itself, mean that a government policy or programme has been adopted or that external organisations have endorsed the proposals.

Basis: The need to improve access to healthcare services, reduce social inequalities in health and develop relevant proposals using the University's expertise.
