TOSHKENT DAVLAT TIBBIYOT UNIVERSITETI

TIBBIYOT VA SOG‘LIQNI SAQLASH SOHASIDAGI MAHALLIY STARTAP HAMDA INNOVATSION LOYIHALARNI MOLIYAVIY QO‘LLAB-QUVVATLASH TARTIBINI TASHKIL ETISH TO‘G‘RISIDA

Universitet ilmiy ishlanmalari va innovatsion faoliyati natijalarini amaliyotga joriy etish, tibbiyot va sog‘liqni saqlash sohasida ijtimoiy hamda moliyaviy barqaror tadbirkorlik tashabbuslarini rivojlantirish, mahalliy startaplar va innovatsion loyihalarni qo‘llab-quvvatlash mexanizmlarini yo‘lga qo‘yish maqsadida, amaldagi qonunchilik hamda Universitetning moliyaviy imkoniyatlaridan kelib chiqib

BUYURAMAN:

1. Universitet tomonidan tibbiyot, sog‘liqni saqlash, biotibbiyot, tibbiy texnologiyalar va aholiga tibbiy xizmat ko‘rsatish yo‘nalishlaridagi mahalliy startaplar hamda innovatsion tadbirkorlik loyihalarini moliyaviy qo‘llab-quvvatlash mexanizmi tashkil etilsin.

2. Moliyaviy qo‘llab-quvvatlash Universitetning tasdiqlangan budjeti va qonunchilikda ruxsat etilgan manbalar doirasida tanlov asosidagi grantlar, maqsadli moliyaviy yordam, innovatsion mahsulot va xizmatlarni sinovdan o‘tkazish hamda amaliyotga joriy etish xarajatlarini qisman moliyalashtirish shakllarida amalga oshirilishi mumkin.

3. Moliyaviy yordam oluvchilar ochiq va shaffof tanlov asosida aniqlansin. Baholashda loyihaning tibbiyot va sog‘liqni saqlash uchun ahamiyati, ijtimoiy foydasi, moliyaviy barqarorligi, amalga oshirish imkoniyati, kutilayotgan natijalari hamda mablag‘lardan maqsadli foydalanish rejasi inobatga olinsin.

4. Arizalarni ko‘rib chiqish uchun rektorning alohida buyrug‘i bilan ilmiy, innovatsion, moliyaviy, yuridik va klinik yo‘nalishlar vakillaridan iborat ishchi guruh yoki komissiya tasdiqlansin.

5. Ishchi guruh tanlov shartlari va baholash mezonlarini ishlab chiqsin, loyiha hujjatlari hamda moliyaviy hisob-kitoblarni ko‘rib chiqsin, moliyalashtirish bo‘yicha asoslantirilgan takliflarni Universitet rahbariyatiga kiritsin.

6. Har bir loyiha bo‘yicha moliyaviy yordam miqdori, moliyalashtirish manbasi va ajratish muddati alohida hisob-kitob hamda moliyaviy-iqtisodiy asoslantirish asosida vakolatli tartibda tasdiqlansin. Mazkur buyruqning o‘zi muayyan miqdorda mablag‘ ajratish majburiyatini yuzaga keltirmaydi.

7. Moliyaviy yordam oluvchilar bilan mablag‘lardan maqsadli foydalanish, xarajatlarni hujjatlar bilan tasdiqlash va loyiha natijalari bo‘yicha hisobot taqdim etish shartlarini nazarda tutuvchi shartnomalar tuzilsin.

8. Mas’ul bo‘linmalar moliyaviy yordam olgan loyihalar, ajratilgan mablag‘lar, benefitsiarlar va erishilgan natijalar bo‘yicha hisob yuritsin. Shaxsga doir ma’lumotlar va tijorat sirini himoya qilish talablari bajarilsin.

Asos: Universitet ilmiy ishlanmalarini tijoratlashtirish va tibbiyot hamda sog‘liqni saqlash sohasidagi mahalliy innovatsion tadbirkorlik loyihalarini qo‘llab-quvvatlash zarurati.

TASHKENT STATE MEDICAL UNIVERSITY

ON ESTABLISHING A FRAMEWORK FOR FINANCIAL SUPPORT TO LOCAL START-UPS AND INNOVATIVE PROJECTS IN MEDICINE AND HEALTHCARE

In order to facilitate the practical application of the University's research and innovation outputs, promote socially and financially sustainable entrepreneurship in medicine and healthcare, and establish mechanisms to support local start-ups and innovative projects, subject to applicable legislation and the University's available financial resources,

I HEREBY ORDER:

1. A framework shall be established to provide financial support to local start-ups and entrepreneurial innovation projects in medicine, healthcare, biomedicine, medical technologies and healthcare services.

2. Support may be provided, within the University's approved budget and funding sources permitted by law, through competitive grants, targeted financial assistance, and partial financing of costs related to piloting and implementing innovative medical and healthcare products or services.

3. Recipients shall be selected through an open and transparent process. Assessment shall consider the project's relevance to medicine and healthcare, social impact, financial sustainability, feasibility, expected outcomes and plan for the appropriate use of funds.

4. A working group or commission comprising research, innovation, finance, legal and clinical representatives shall be approved by a separate Rector's order to review applications.

5. The working group shall develop the call conditions and assessment criteria, review project documents and financial calculations, and submit reasoned funding recommendations to the University management.

6. The amount, funding source and disbursement schedule for each project shall be approved separately on the basis of financial calculations and justification under the authorised procedures. This Order alone does not constitute a commitment to allocate a specific amount of funding.

7. Agreements shall be concluded with recipients, specifying the permitted use of funds, documentary evidence of expenditure and reporting on project outcomes.

8. The responsible units shall maintain records of supported projects, funds allocated, beneficiaries and outcomes, while observing personal data protection and commercial confidentiality requirements.

Basis: The need to commercialise the University's research outputs and support local innovative entrepreneurship projects in medicine and healthcare.
